BUSINESS OPPORTUNITIES FROM EU

SECTOR/ INDUSTRY: CHEMICALS & CHEMICAL PRODUCTS

A renowned European company is into crop protection products and Incinerating service. It is based in Switzerland and has offices in a number of EU Countries. The company has obtained registrations in over 42 countries for products based on a range of active ingredients, including glyphosate, copper fungicides, propyzamide, chlorothalonil, clomazone, tribenuron, flufenacet, florasulam, dicamba, difufenican, 24D and mesotrione. They are willing to expand and looking for distributors of crop protection products and garden supplies and tools.

SECTOR/ INDUSTRY: TEXTILE & LEATHER & FOOTWEAR

A Slovenian based footwear manufacturer, is willing to collaborate with companies dealing with footwear, sports equipment and footwear and fashion. It is a renowned brand that guarantees high-quality craftsmanship, unconventional solutions, and functional design. Among its many product ranges, it is globally best known as the first choice of Olympic and World Cup winners in cross-country skiing races.

SECTOR/ INDUSTRY: MEDICAL EQUIPMENT & HEALTH

A European Company engaged in latest preventive healthcare solutions is looking for partners/distributors in Health, Lifestyle and Wellness Sector, who want to add value to their service.

They are specialized in preventive genetic tests that are intended for the end user. The company also offers clinical genetic tests which help doctors with their therapeutic procedures, and blood tests for monitoring individuals' current state. Their tests adhere to the highest standards of quality and are based on the latest scientific discoveries. They provide people with information which can help them adjust their lifestyle and take measures that will provide additional protection from health risks due to genetic predispositions.

SECTOR/ INDUSTRY: LOGISTICS & TRANSPORT

A shipping company deeply involved in world-wide chartering, with strong and close relations with many First-Class Charterers and Owners. It offers ship brokerage, dry cargo and tanker chartering, port agency, global logistics, complete service door to door, charterer/ship operators. It is looking for companies into steel, aluminium, copper, zinc, lead producers, raw material exporters and importers, miners, traders, etc, heavy industries from thermoelectrical plants to cement producers, etc. It is a member of BIMCO.

BUSINESS OPPORTUNITIES FROM INDIA

A Tirupur based Government recognized Export House engaged in Manufacturing and exporting of Knitted garments since 1996 to countries in EU is now manufacturing PPE Kits which is used by doctors and nurses in fighting COVID-19. They are also producing Reusable N99 mask and Cotton reusable mask. Their products have received approval from SITRA and also have CE, GMP and ISO certification for exports. They are also supplying the same to HLL (sourcing company for Indian govt supply). The Company is looking for suitable distributors/ clients for their products in EU as well as India.

A well-known manufacturer, supplier and exporter of a wide range of Laboratory Glassware, which has set benchmark in the global market for quality and affordability is looking for a German Glassware Manufacturer or Germany Glassware supplying company to whom they can supply their lab glassware as OEM partner. The company is engaged in designing, an extensive range of Laboratory Glassware and Plasticware including General Glassware, Volumetric Glassware, Glass Funnel and Filtration. It has been recognized as one of the leading manufacturers of Glassware and offers laboratory glassware of varied sizes and shapes to meet the requirements of lab scientist and researchers.
