MEMBERS CORNER

EU Chambers congratulates its Member Company Sopra Steria India and Sopra Banking Software India for being certified by the Great Place to Work® Institute as organizations that build a High-Trust, High-Performance Culture™.

In November 2021, the company had conducted a group people survey and the qualitative feedback from their employees made each one of them proud.

The survey participation percentage was overwhelming and their employees voted the company on 5 key parameters – Camaraderie, Pride, Credibility, Respect and Fairness. During the pandemic, the unwavering support from the leadership helped the company tide over all the odds as one great force and emerge victorious.
